

Mary Dean's CE Primary School

Dear Parents and Carers,

Well, the month moves on and it seems the mornings are already a little lighter.

I was delighted to see Mrs Dove's class enjoy their class treat this week – they have all done so well.

Traversing Wall

You will all know that Mrs Baker is passionate about her role as PE leader in our school. Mrs Baker is responsible for planning how we spend our additional funding for sport and PE to make the most of all our space. The bike track has been a great success and is a good example of Mrs Baker's great ideas.

The next big venture is a traversing wall. The wall is going up in the KS2 playground, but it will have climbing grips on it suitable for children of all ages. The wall panels are being put up by our Caretaker, Mr Rickard, and I am

sure there will be lots of excitement once the children see it take shape. Children using the traversing wall **MUST** bring a change of footwear to go onto the wall. The rough grips will ruin school shoes so please ensure your child brings some old trainers or similar to leave in school if possible. Children without a change of shoes will not be allowed to use the traversing wall. All the children will be shown how to use the wall safely and I am sure they will have great fun when it is in place.

Nursery

Unfortunately, our Nursery will remain closed on Monday due to staff illness. We have a number of staff with the Covid infection and, sadly, we are unable to open all areas of the school. We will keep you updated and hope for a swift return to health for all our staff.

Bring a Bear to School Day

Don't forget, children are invited to bring a bear to school with them this **Thursday** to support Jeremiah's Journey. We will have a visit from Jeremiah himself during assembly so it should be a good day for everyone.

Sports Stars

Have a lovely weekend.

Mrs J Jones

Head Teacher

A school family, learning for life in all its fullness
