

## Worship

Last week, Reverend Gerda led the worship and introduced a 'Lent Challenge' to the children. This was to teach them about the meaning of Lent leading up to Easter. The challenge is to carry out an act of kindness that does not need a thank you. Children will record what kind deed has taken place by writing it on a leaf and making a kindness tree. Reverend Gerda will return in a few weeks' time to see the tree and all the kind deeds performed. I'm pleased to say that there are already many leaves on the tree. 😊

## Class Photos

Tempest was in school last week and took class photos of the children. If you would like to order a copy, then you can either order online and have it delivered to school free of charge or complete the envelope the photo arrived home in, pop money in it and send back to school. Please can orders through school be placed by the end of next week, Friday 8<sup>th</sup> March. Thank you.

## Hoodies

Every year, our wonderful PTFA gift the Year 6 pupils with a 'Leavers' hoodie' This year, we asked the children if they would like to receive them earlier than the summer term when it is too hot to wear them. There was unanimous 'Yes' and they are wearing them as part of their school uniform and look great! Thank you, PTFA for providing our Year 6 children with their hoodie again this year. We were able to get all of them together wearing their new hoodie for a special Year 6 photo by Tempest.

### Save the Date

## Our Achievers last week.

Well done!

## Tamerton Foliot Carnival

Congratulations to pupils from our school who were selected to represent the village in the carnival this year. The royal party consists of Queen Genevieve, Princess Willow and flower bearers, Jessica and Remy.

We have registered to take part in the Sustrans Big Walk and Wheel event again this year. The week to walk, cycle or scoot to school is 11<sup>th</sup>-22<sup>nd</sup> March. More details to follow.

## Our Achievers this week. Well done!

## Parent Council

We have a parent council member vacancy. The nomination form will be sent out alongside the newsletter if you are interested in applying. Please see this for further information.

## Field Gun Taster Day

On Wednesday 6<sup>th</sup> March, a team from Future Fit will be visiting in the afternoon to give children a taster in Junior Field Gun. This is a very exciting event which Plymouth, as an historic naval city, has a rich history in. The hope is for Mary Dean's to run a team and perhaps even enter into the event on Armed Forces Day in June. Field Gun itself is an extremely inclusive event and although it will be just Years 5 and 6 taking part on Wednesday, the hope will be to extend the opportunity to Year 4 as well. Watch this space!

Thank you for your continued support.
