Monday 17<sup>th</sup> January 2022

Dear Parents and Carers,

Unfortunately, we are having to close the Nursery this week. The closure will begin tomorrow, Tuesday 18<sup>th</sup> January.

This is due to three members of staff from the Nursery testing positive for COVID-19. We are unable to staff the Nursery to ensure that your children will be safe.

I appreciate this is highly inconvenient and apologise for this. However, there is simply no option with so many staff away.

Provided staff are able to return, Nursery will re-open on Monday 24<sup>th</sup> January.

Thank you for your help and support in these difficult circumstances.

Yours sincerely,

*T Jones*

Head Teacher
