

Mary Dean's CE Primary School

Dear Parents and Carers,

Incredibly, it is Friday. That was certainly a quick week.

Covid updates

I am sure everyone is aware that COVID rates are currently very high, and rising in Plymouth. We have three staff currently affected and I have my fingers crossed that this doesn't start to rise again.

School staff are no longer required to undertake routine testing. A test should only be taken if the symptoms of COVID are present. In school, we continue to follow the guidance that says anyone who tests positive should be isolated from school for 5 days. Two consecutive negative tests are then needed for a return to school.

This is the same for children and adults.

If you have any concerns that your child is not well, please keep them at home until you are sure they are well enough to be in school. Thank you.

Easter Performances

We would like to invite you to our Easter Performances! Two adults per child only, please.

Key Stage Two: Wednesday 6th April 9.15

Foundation and Key Stage One: Thursday 7th April 9.15.

Girls' Football

Congratulations to our Girls' football team. After only two training sessions, they won two out of four games in the tournament on Monday and now progress to the finals next week.

Well done everyone!

MTA Position

We are seeking a Meal Time Assistant to join our team every day. You will be working with our Reception children, supporting their lunchtime play and eating. An application form is available on the school's website if you are interested.

Have a lovely weekend.

Mrs T Jones

Head Teacher

A school family, learning for life in all its fullness
